Notification dated 7th January 1948.

It has been represented by the several cloth Merchants, Association in the State that the inclusion of powerloom cloth manufactured by Factories having less than 25 looms on five yards basis has caused a great hardship to the consumers inasmuch as the variety of cloth produced by these factories are of a very inferior type and the prices of these cloths when compared to mill cloth are very exhorbitant and that consequently the consumers are not purchasing these goods from the retailers, resulting in the accumulation of the stock with the latter.
